

**Athletic Facilities** promote a healthy, vibrant lifestyle for institutions of higher education. **Brookwood** professionals have an extensive history in these building types, from student recreation centers to football stadiums.

(a, b, c, d) Recreation Center for Georgia State University, Atlanta. Program Management by Brookwood; (e) Programming and concept by Brookwood for Proposed Enclosed Stadium for Jackson State University, Mississippi; (f) World Cup Stadium, St. Denis (Paris) France. Brookwood consulted to the French Government for Design Competition.

Brookwood professionals have extensive planning and program management experience with sports facilities, thus enabling the firm to serve as a valuable advisor to colleges and universities that are planning new or expanded stadiums, arenas or other athletic facilities.

**Brint Smith, Ennis Parker and Vic Maloof** of Brookwood, and formerly of Heery International, along with **George Heery**, Chairman Emeritus of Brookwood Group and formerly Chairman/CEO of Heery International, led the planning and design of a large number of stadiums and athletic facilities, which were carried out by Heery-Fabrap working with the late J. H. Bill Finch of Fabrap.
